Dear Sir:

With Mr. Woody Higgins change of employment status with your firm, Patriot Scientific Corp. will be changing it's patent counsel representation to the San Diego office of Knobbe, Martens, Olsen & Bear, LLP. Local access to patent counsel is highly desired by Patriot. Mr. Drew Hamilton will be representing Patriot for future patent activities.

Mr. Higgins indicated that there are some pending efforts that should be concluded by Cooley Godward. All other items associated with our patent activities could be turned over to the new counsel. Please provide us with the specifics of the pending efforts.

By way of this letter, please assemble promptly all Patriot Scientific files for transmittal to our new patent counsel. I will provide the necessary shipping address when you are ready to forward.

Patriot would like to thank Cooley Godward for its years of support on our patent activity and wishes Woody Higgins "All the Best" in his New England home.

Sincerely

James T. Lunney
Chairman, CEO and President
